

Electrical Vacuum Feedthrough EVFT 63KF

1015856

Technical Specifications

Size and Dimensions

weight	666 g
flange size	DN63ISO-K
norm (standard)	DIN 41652, MIL-C-24308
outer dimension connector	38 mm x 53,5 mm (16.2 mm each)

Materials

flange	stainless steel 316L
pins	NiFe, gold coated
flange sealing	synthetic material
electrical feedthrough seal	glass-ceramic

General Specifications

max. leakage rate
